### **CCPP Cleaner Greener Production Programme**

The Environmental Protection Agency is looking for Expressions of Interest for the CCPP Cleaner Greener Production Programme, by 5.00 p.m. Wednesday 23rd April 2008. The CCPP is a grant scheme to encourage businesses and organisations to implement cleaner greener practices. The programme challenges organisations to produce goods and services in more environmentally friendly ways, targeting the minimisation of emissions through cleaner production methods. The objective is to achieve a balance between economic activity and protection of the environment. The website address is [www.cleanerproduction.ie](http://www.cleanerproduction.ie) and it has information on the programme including links to previous projects funded by the programme, the application form and information on a briefing session which will take place in Dublin on the 10<sup>th</sup> of April.
