

Fed Up Sitting on the M50? Its, bad for business too.

We call on all election candidates to support 24 / 7 working on this road to get traffic moving...

Bills, Bills, Bills

Try paying commercial rates and the other local authority charges . We call on all election candidates to ensure adequate funding of South Dublin County Council, increased business costs means less jobs.

Metro West and Lucan Luas

Waiting, waiting. Why do we need to wait for 2014 for Metro West and 2013 for the Lucan Luas . We call on all election candidates to commit to bringing the completion date to 2012 and get the projects started. Metro West is essential to link our towns Clondalkin, Lucan and Tallaght.

Newlands Cross Traffic Problems

Newlands Cross junction is a major traffic blackspot. We call on all candidates to commit to getting work started on a flyover for this junction without delay.

Bridge over the Liffey

As most of the new outer orbital road is near completion we now need a new bridge over the Liffey. This is essential to the development of the County, particularly Lucan and will offer an alternative to the M50. We call on the election candidates to commit to getting this bridge built.

Buses

We need more Buses. The private sector can provide them. We call on candidates to support our call for subsidies to be made available to all transport providers and open at least 35% of routes in our county to competition.

Investment

We are a fast growing County and need many more jobs. We ask candidates to support our call for the IDA to be given the freedom to seek investment for our area in the same way as they do for the rest of the Country. We call for the full utilisation of all public assets in the County and for protection of the existing Corporate Tax Rate.

We live in a great time in Ireland and all political parties have played their part in this progress. What we now need is for everyone in South Dublin County, whether you are representing Tallaght or Lucan, Clondakin or CityWest to put the needs of our local economy to the front of their election campaign and act on them if elected.
