

MORAN HOTELS Moran Hotels Dublin, London & Cork combine four star luxury, convenient accessible locations with oversized executive style bedrooms, a choice of bars and restaurants within each site and state of the art conference facilities - an unparalleled environment for the corporate client to work and relax and the leisure guest to get away from it all. Although ultra modern in design Moran Hotels certainly do not lack the human touch that so often goes astray in many design led hotels. No stuffiness, no pretensions, and no egos – just exceptional service standards, a smile and a warm Irish welcome from our team. www.moranhotels.com
