### 1. [Business in the Community Awards 2008](#)

The South Dublin Chamber Business in the Community Awards 2008 will take place on 16<sup>th</sup> October in Red Cow Moran Hotel, Naas Road. The Business Awards will acknowledge the help and support given to local community groups and projects in the area by companies and businesses. We are delighted with the response from companies throughout South Dublin County and received in excess of 60 nominations before the closing date.

In addition to the 6 Business in the Community Awards, South Dublin Chamber is delighted that the South Dublin County Enterprise Board will present and profile the local winners of the 2008 County Enterprise Board Awards and announce the overall winner who will represent South Dublin at the National Enterprise Awards.
