

Company Profile: Vhi Healthcare

Vhi Healthcare is the market leader for health insurance in Ireland and provides flexible healthcare solutions to more than 1.5 million people in over 8,000 group schemes countrywide.

Initially set up to provide hospital insurance, Vhi healthcare has diversified its product offering to bring consumers the widest range of healthcare plans available, including plans for every lifestage, dental and travel plans, occupational health services, and the best in urgent-care medical facilities.

Of particular interest to Vhi members in South Dublin is the fact that they can easily access the Vhi SwiftCare Clinic at Rockfield Medical Campus, Balally, Dundrum, Dublin 14 (directly above Balally Luas station) and receive rapid assessment, treatment and advice for a range of minor injuries and illnesses, with most patients being seen within 60 minutes.

Open from 8am – 10pm each day, **Vhi SwiftCare Clinic** Balally can be contacted on **1890 866 966**

In addition, members can also access The Sports Surgery Clinic located at Santry Demesne, Dublin 11. This specialist clinic offers a unique, single-centre care facility for screening, diagnosis, prehabilitation, and surgical treatment of acute and chronic sports injuries, in addition to dedicated consultant expertise in sports medicine.
